## 4.2 THE GOOD COACH'S CODE

Whether playing, training or watching a game of rugby the way you behave reflects, YOU, YOUR TEAM and **Cranbrook Rugby Football Club (Cranbrook Sports Club)**. The following Codes are designed to promote the elements of enjoyment and satisfaction, the contribution that can be made by non-players and to remind all people involved with the game that there are certain standards of fair play and conduct that should be maintained at all times.

Young people come into Rugby Union for a variety of reasons, it is the duty of the coach to recognise this and stimulate continued participation. Coaches have a responsibility to ensure that all youngsters are given the opportunity to fulfil their aspirations in a caring environment where the emphasis is on:

### **FUN - ENJOYMENT - SKILL DEVELOPMENT**

- ) Recognise the importance of fun and enjoyment when coaching young players. Most learning is achieved through 'doing'
- ) Appreciate the needs of the players before the needs of the sport.
- ) Be a positive role model - think what this implies.
- ) Keep winning and losing in perspective - encourage young players to behave with dignity in all circumstances.
- ) Respect all referees and the decisions they make (remember it could be you refereeing next week) and ensure that the players recognise that they must do the same.
- ) Provide positive verbal feedback in a constructive and encouraging manner, to all young players both during coaching sessions and games.
- ) Provide experiences and sessions which are matched to the young players' age and ability, as well as their physical and mental development.
- ) Ensure all youngsters are coached in a safe environment - adequate equipment, facilities and first aid equipment readily at hand. A ground inspection is to be undertaken and recorded prior to each session.
- ) Avoid overplaying training - use the squad system to avoid overplaying the best players. Give everybody satisfactory amount of playing time.
- ) Never allow a player to train or play when injured.
